Harmar supervisors vote to pave Rich Hill Road

BY ROSSILYNNE SKENA
TRIBUNE-REVIEW NEWS SERVICE

Rich Hill Road in Harmar, just outside of Indiana Township, will be paved in the spring.

Harmar Supervisor Kim Toney said the township will seek bids in February, and paving would cover from the top of the hill to the bridge.

A recent bid came in close to $100,000, which is likely high because it's the end of the contracting season, Toney said.

A "nice sum" was allocated to pave roads, Toney said, and the township won't need any loans for the project.

The township used to pave two roads each year, on a rotating cycle, but the rotation got off track, Toney said.

"We are working on Rich Hill Road," Noll said. "Thank goodness."

Freeport Road restriction starts

TRIBUNE-REVIEW NEWS SERVICE

Westbound traffic on Freeport Road, near the Highland Park Bridge, will be restricted to a single lane on weekdays through Sept. 7, PennDOT said.

The lane restriction will be in place from 7 a.m. to 3 p.m. daily so crews can perform work on the bridge, PennDOT said.
