2009 RR Improvement – Request #1

“I would like to see something done with the school bus stop @ Rural Ridge and Crawford Run. With students standing on one side of the street and parents parking on the other side, it is a dangerous situation. Could we somehow enforce parents to park in the Brozek Center lot or move the bus stop to the lot?”

When this issue came up before we notified parents that they could use the Brozek Center parking lot. I will let the Police know of the complaint however I don't think we can “enforce parents to park in the Brozek Center lot”. If you want to refer them to me I would be happy to handle it.

Thanks,

Dan

Dan:

I received this note from a constituent:

“I would like to see something done with the school bus stop @ Rural Ridge and Crawford Run. With students standing on one side of the street and parents parking on the other side, it is a dangerous situation. Could we somehow enforce parents to park in the Brozek Center lot or move the bus stop to the lot?”

What, if anything can we do here? Let me know.

Thanks,
