Ms. Barbara Noll
Board Chairman
Harmar Township
701 Freeport Road
Cheswick, PA 15024

Dear Ms. Noll,

As a neighboring Municipality, Indiana Township shares Rich Hill Road with Harmar Township. In addition to the growing businesses in Harmar, hundreds of homes in Indiana Township use and are served by Rich Hill Road on a daily basis, and it serves as an important link to many arteries. The poor condition of the road, and its need for improvement has become the center of much attention. Indiana Township is very pleased to learn that Harmar Township will apply for a CITF Grant to improve its portion of the road. Indiana Township is in full support of this application, and is grateful for this effort.

Sincerely,

Daniel L. Anderson
Manager
