

Book Exchange Program:

- This is a volunteer project
- Scheduled to open on Tuesday November 11, 2008
- The Fox Chapel High school outreach club has offered to operate a 1 month a book drive for US!
- The Township has given US other resources to collect over 1,000 books
- The program is "Bring a book, take a book." If someone does not have a book, we will ask for 25c per book. This way we will have a constant circulation of books

Future Goals of the Program:

- At the same time the library is open, we want to kick off other programs, such as Story-time, Chess, Bingo, etc. However this will depend on the volunteer base we obtain and also other requests from the community
- We will also sell small items and books to raise money for these other programs....e.g. Teen Video game night.
- High School students will be encouraged to do their service learning, required by school, at our center (6 hours to graduate.)

Initial Hours of Operation:

- 4pm to 6pm on Tuesdays. This will change based on # of volunteers
- We will advertise the opening through the schools, web sites, posters and word-of-mouth
