Re: Krally's 1 year appointment as Mayor of Indiana Township comes to a close today!

I want to thank my Co-Supervisors for allowing me the opportunity to serve you as Mayor of Indiana Township for 2009. It was truly an honor and privilege and we have achieved a great deal in 2009. (www.darrinjrally.com) I have learned so much more this year and the experience as Mayor will ultimately make me a much better Supervisor of District #3/Rural Ridge. I look forward to all of the new challenges that 2010 will bring and will continue to work hard for you!

Best regards and God bless you!

Darrin J. Krally

Mayor – Indiana Township
