- I. Introductions - led by Darrin Krally with assistance from your Township Manager – Dan Anderson.
- II. Purpose / Scope: This is YOUR meeting. We will address the needs of those in the order selected by Darrin Krally. This is based on your arrival time! First come and first served.
- III. Objectives:

Our objectives are as follows:

- Listen to your concerns and gather data on each
- Determine the current state of being
- Is there a need for change? If so, how do we get there? Who leads this change?
- Become aware of desired state
- Discuss ways and means of getting to the desired state

- IV. Meeting Agenda:

- Well Drilling on Melody Lane – is there an end date?
- DEP Oil and Gas Division’s role / Township’s lack of ability to control
- State DEP Contact information Jack Crook – 412 442 4077 and Alan Eichler 412 442 4006
- Condition of Melody Lane Road – responsibility is on the homeowners as this is a private drive
- Call State Representative Dermody or State Senator Ferlo to complain about this ASAP!
