Mr. Onorato,

I am writing in concerns of a growing safety issue in my community. I am a resident of the Shawnee Ridge Development on Rich Hill Road in Indiana Township. My concerns are of the severe state of disrepair of the Harmar township portion of Rich Hill Road. I know that my township supervisors have been working feverishly with Harmar township officials to seek a solution. The common theme is that Harmar Township does not have enough residents or more likely constituents to justify servicing the road. So at this time I am writing you in an attempt to pursue other routes to a solution. Your help in this matter is greatly appreciated and would mean a lot to all residents of Rich Hill Road, families of competitors of the Pittsburgh Indoor Sports Arena, and commuters of Allegheny county as Rich Hill road is frequently used to avoid traffic on Route 28. I have copied my township supervisor on this letter as well. Thank you.
