Re: Announcements

---

- 1) Due to zero (0) RSVPs for my Town Hall Meeting scheduled at the Brozek Center on Sunday June 15, 2008 to be held from Noon-2 pm, the meeting is now cancelled. This is highly disappointing as we are offering an opportunity to discuss whatever you wish at these meetings

I did receive a call from Mary Brakovich today with interest in attending. Mary indicated she would try to come to the meeting, but could not commit due to very serious health reasons. We agreed on a few things; that things in District #3 must be operating very well, the people have no right to complain if they do not RSVP to these meetings and that the scheduled meeting should be cancelled. I will continue to offer these meetings on a quarterly basis, but do need your support.

- 2) I learned that some of our Republican Committee members have selected a Republican Candidate to run against George Dull in the next election. This is terrible news, but expected news with Mark Bursic at the helm. Fortunately, the new Vice Chairman of this Committee gave me his word that this would not happen. He indicated that if it did, he would have the new Chairman terminated immediately. This is interesting stuff as the political game is on. Let's see who steps up to the plate and works for the greater good of our Party.
- 3) I want to thank all who attended and made Youth Day 2008 possible!! What an awesome event coordinated by awesome people. Jeff, Kurt and Team outdid themselves once again. Even with terrible weather conditions. Thank you all for a blessed day!!!!

Sincerely,

Darrin Krally
