Re: Rural Ridge Update

---

**Old Business:**

**Rich Hill Road** – We will continue to do whatever it takes to make sure that the Harmar portion of this road is paved in 2010. We are doing our best to prevent an unnecessary death.

Update: Harmar Board of Supervisors commits to pave 1500 feet of their portion from the Indiana Township Line (top of the hill before trailer court) to the Brick Plant bridge in 2/11. Stay tuned.

[www.darrinjrally.com](http://www.darrinjrally.com) – This site is for YOU! We thank all of our dedicated viewers and appreciate your feedback. **We experienced a record number of visitors in 9/10.** Thank you for your input on all Township issues.

**Krally Town Hall Meeting** - No one RSVP'ed for the 9/26 meeting; therefore the meeting was CANCELLED. Next meeting – 1/9/11.

**2/9/10 – Job Search Link** – We have served a handful of job seekers so far. We are hoping we can be successful with this program. For questions or to apply on line, please visit [www.darrinjrally.com](http://www.darrinjrally.com) and click on the “Job Search” link or simply email me at [dkrally@darrinjrally.com](mailto:dkrally@darrinjrally.com).

**Krally's Kitchen** – We are off and running; ready to serve! In an effort to better serve the needs of our seniors and shut ins within the District, we have worked together to create Krally's Kitchen. Our family will start weekend meal preparation and delivery (breakfast and lunch) to all interested and qualified Rural Ridge Seniors and Shuts Ins beginning October 4<sup>th</sup> and 5<sup>th</sup>. The schedule will be as follows:

**Breakfast – Delivered 8-9 am on Sat/Sun**

**Lunch – Delivered 12-1 pm on Sat/Sun**

This program is being created and dedicated to the memory of Richard M. Krally. My father lost a battle to Lou Gehrig's disease in 1987. My family was fortunate enough to receive assistance from both family and friends during that very difficult time. Now we would like to return the favor.

## **New Business:**

---

### **Oil and Gas Ordinance Coming to Indiana Township:**

#### **Fire, fire, fire:**

Who is coming to help us?? - Our groups are in need of money. I know, who isn't at the time in the world? The Township and the VFDs are continuing to work together to find more \$\$\$. This \$\$\$ might come in the form of higher taxes. It might not. Discussions are in progress and we want to ensure all parties that we will brainstorm and brainstorm until we have a fair solution for all parties. We have a lot to lose here and need to get this right. Please call with questions, concerns, comments or suggestions.

#### **Well Explosion:**

There is a well or 2 ( or 5) behind Shawnee Ridge and most days, we smell what we believe to be natural gas. Huntley and Huntley commented that we are not smelling natural gas. Funny thing, this is not a Huntley and Huntley well. However, we believe we are smelling natural gas!! Or at least a chemical used to note the presence of natural gas.....Stay tuned.....

### **Local Attorney to consider Class Action Suit against Harmar Township:**

We are disgusted with Harmar Township and their apathy towards Rich Hill Road. Stay tuned for this a potential lawsuit.

#### **Kevin Brozek Center:**

The building is open during the Book Exchange hours of operation.  
Please continue to call the police when/if you would like the rest rooms open/locked

### **ITAA – Late Payment to be collected 10/10:**

Bill Urso, ITAA, agreed to pay ITAA's delinquent field usage invoice of approximately \$1400 this month. Thank you to Bill and the remainder of the ITAA Board for taking care of this matter.

#### **Rural Ridge Baseball Field:**

I will work with the Township and ITAA to work for a fair solve in getting/keeping this field in "practice" shape. More to come on this.

Thank you for allowing me to serve. I truly enjoy working with all of you!

Respectfully

Darrin J. Krally
