Re: John and Sarah sound like WINNERS!

Old Business:

Rich Hill Road - Harmar Township does not want to pave the road. My sources tells me that their Supervisors feel that there are simply not enough "votes" on their portion of Rich Hill Road to warrant repavement. This behavior gives public servants a bad name. What a shame.

I will continue to do whatever it takes to make sure that the Harmar portion of this road is paved in 2008 or 2009. I am doing my best to prevent an unnecessary death.

Kevin Brozek Center - The public expressed little or no interest in this summer's offerings/programs at our Center. I want to again thank Maria Bove for her efforts.

Adelphoi Village - They are now into their second year of school at the Center. Classes began on Monday August 25, 2008. The school continues to be a good business partner to both our children and the township. Thank you for all the work you do for us.

RR Estates Punch List: I sent Rob Serrao the meeting results and our recommendation. I will continue to work with Rob and their management company if they choose to ask Maronda for closure. Thank you Rob for your dedication on these tasks.

RR Sign: The new "Village of Rural Ridge Sign" was delivered to the township Public Works building last week and was erected on Friday August 22, 2008. Please let me know of your feedback.

New Business:

Lauri Ann West -Request for Donation of Funds: Lauri Ann West is expecting well over 200k from Indiana Township for their new facility in Fox Chapel Borough. For this large sum, we may get some low level services at the Brozek Center. I have talked with several District #3 constituents and have a survey posted as well. I have overwhelming support to just say "no" on this issue. I cannot in good faith support this donation. We can open our own library or work with another library center and start up for far less than 200k. Lauri Ann West is clearly NOT looking out for us.

Indiana Township Crime Watch - This link is gaining momentum. Please visit www.darrinjkrally.com and click on the Indiana Township Crime Watch Link to help us fight and defeat this problem.

That is all I have Mayor,
